

FUNDRAISING REVENUE IN 2021

A SOLUTION FOR YOUR ORGANIZATION FROM MANAGEMENT CONNECTION

Because of its outdoor nature, accessibility to all age ranges, and built-in social distancing, golf participation surged in 2020!

Are you using this trend to generate funds for your organization and to connect your stakeholders (members, team members, supporters, sponsors, etc.) in a way that makes everyone feel both safe and engaged?

We develop and manage your tournament at the level that you choose. You and your stakeholders will experience the camaraderie and thrill of an incredible tournament even as you realize significant funds to support your organization.

Features

- Social distancing available during the whole event, even inside carts
- Host up to 144 players
- Choose from top courses in majestic settings across California or beyond

We Manage Any or All of the Following

- Sponsorship and on-site activation
- Site pricing and contract negotiation
- Committee and volunteer work
- Development and distribution of advance marketing to your list
- Day of tournament logistics
- Programs and other collateral
- Tournament format
- Welcome bags
- Tee prizes
- Food and beverage
- Awards
- On-site live and silent auctions
